Chevrolet Cavalier LTZ Hybrid

Fully Loaded - Fuel Efficient 1.3 Turbo - Roomy and Comfortable
3 Years Warranty

The all-new Chevrolet Cavalier LTZ Hybrid is powered by a 1.3 Turbo engine with a hybrid system and 161 HP maximizing power and fuel efficiency. Its sporty lines attract attention as it passes while its LED lights show the way day and night. The details inside are designed to offer maximum comfort and a touch of exclusivity.

Chevrolet Cavalier LTZ Hybrid

The interior comes with a floating dual 10.25-inch layered screen. The full-color LCD instrument panel on the left side presents intelligent driving information while the screen on the right side is tilted 9 degrees toward the driver's side, putting the driver in the center.

In addition, the Cavalier comes standard with rear air vents and a rear center headrest, a large trunk with 405 liters of space and 23 storage compartments.

The range-topping LTZ trim features unique 16-inch alloy wheels, black Bow Tie emblems, blind-spot monitoring, a Sport drive mode, leatherette seats as well as a power sunroof.
